

## Coke Points for St. Vincent de Paul Catholic School

Please save all "Coke" caps and other codes for our school! Coke gives our school money for the codes that are donated to St. Vincent de Paul Catholic School.

Where do you find these coke points/codes?

- They can be found on coke product caps, including Coke, Diet Coke, Sprite, Barq's, Powerade, Minute Maid Juices, Fresca, Flavored Dasani water, and many more. (Normal Dasani Water bottles do not have points on the caps.)
- They be found in cases of products, including the cardboard fridge packs or 12 packs of cans, 24 packs of cans, and on the plastic wrap for Dasani water cases (it is on the inside of the wrapper, under a grey block so it cannot be seen from the outside).

How to enter codes?

1. Go to [coke.com/give](http://coke.com/give)
2. Set up an account or log in if you already have a mycokerewards account (Please consider using an alternate email from your normal email, every code you donate you will receive an email from [coke.com/give](http://coke.com/give) and that can fill up your inbox quickly)
3. Select donate to local school
4. Search by zip code (39560)
5. Select St. Vincent de Paul Catholic School
6. Then enter points by typing them on the computer or scanning/taking a picture with your smart phone.

How much are the codes worth?

35-PACK	\$0.38	12-PACK	\$0.15	20 OZ	\$0.05
32-PACK	\$0.38	8-PACK	\$0.12	24 OZ	\$0.05
30-PACK	\$0.38	6-PACK	\$0.08	1 LITER	\$0.05

15-PACK	\$0.23	0.5 LITER	\$0.05	50 OZ	\$0.05

Please save these items if you normally drink any of these different items and even encourage family and friends to do the same. If you are unable to enter them from home, please collect the tops and send them into the office in plastic zip lock bag. Please spread the word and ask family and friends to help our school too! These small things that usually get recycled or thrown in the trash quickly add up to a nice chunk of free money for our great school! It's almost like turning trash into cash for our school!
