**Monthly and semiannual payments require enrollment in the *FACTS Management Tuition Payment Plan (FMTTPP)* (information regarding enrollment in FMTTPP is on the school website, [www.svdpcatholicsschool.org](http://www.svdpcatholicsschool.org) ).** All enrollments are processed online. A per family annual fee is charged for FMTTPP.

### Parish Rate of Tuition

Parish tuition rates are afforded to in-parish practicing Catholics and must be applied for **each school year**. Parish families consist of those families who are registered, active, contributing members of Holy Family, St. Thomas the Apostle, Most Holy Trinity, Our Mother of Mercy, Sacred Heart in Dedeaux, St. Ann, or St. John. All families will be registered at the standard rate until their application has been evaluated by the pastors and return to the school. New parishioners may apply for the Parish Supplement after six months of being registered, active, contributing members of the parish.

In addition to subsidy, some tuition assistance may be available to parishioners with financial hardship. St. Thomas and Holy Family parishioners are asked to complete the Facts Grant & Aid Assessment Application for consideration. **(Please note, financial assistance is not available for PreSchool tuition.)** The FACTS applications must be completed in March for the following school year. There is a \$30 application fee. FACTS will review the application and return a suggested rate of tuition to the parish office by May 1. Assistance is based on need and availability of funds. Parishioners other than Holy Family and St. Thomas are to contact the Pastor for consideration for assistance.

### Standard Tuition

Standard tuition is offered to any family who is not offered the Parish Supplemental Rate as well as parish families who choose to carry the Standard Rate of tuition.
