Returning Student Registration

- Begin by visiting the link:
<https://biloxidiocese.powerschool.com/public/>
- If you have created your Username and Password, simply login. If NOT... You must select the second tab on the top of the login window and create your Username and Password at this time.
- Once you are logged in, you must choose the registration link located in the navigation column on the left side of the screen. It will be the second from the last link.
- At this time, you will be asked to verify your child’s identity for security purposes.
- A “Snapcode Authentication” will appear at the top of your screen. A security question will be presented. It should be easy, such as entering your child’s date of birth.
- If you experience difficulty, please visit the website:
