

Want your child to earn FREE money?

Save for America Program through The Peoples Bank

Hey Parents! **The Peoples Bank** is once again offering an in-school Savings Program at St. Vincent in conjunction with the Save For America program. This program basically allows your child to make weekly deposits AT SCHOOL into their own People's Bank regular savings account (either an already established account or by creating a new one with YOU as the cosigner). Parent volunteers will be in each pod on **Tuesday mornings** immediately following prayer and pledge to accept deposits. No account number is ever needed for your child to make a deposit. Just a simple deposit slip that can be located online and

completed in advance or at the deposit table on bank days including: 1. Your child's first and last name, 2. Your child's deposit amount written numerically ONLY, and 3. Teacher's name (for cross-reference purposes), and 4. The date. That's it.

There IS a MINIMUM deposit of 10 cents each week and students **MUST** deposit each open bank day in order to receive the bonus reward at the end of the school year. And for those students who make the once weekly deposit of at least **10 cents** on each and every established bank day throughout the school year, a deposit of \$20 will be made courtesy of The Peoples Bank into his or her account at the end of the school year.

First deposit day will be on Tuesday SEPTEMBER 18.

Please try to have completed forms with required document dropped off to school or Peoples Bank by **August 28**.

- If you ***already have an established*** account with The Peoples Bank, then you only need to send a deposit slip and money with your child. No additional paperwork is needed.
- If you ***need to establish an account***, PLEASE be sure to complete the attached form and send it in before the first bank day. The form **MUST** include your **child's SSN** and **signature** and at least **one parent's SSN** and **signature** as well. Also, **a copy of the signing adult's photo ID** is required to establish the account. You may send it in in a sealed envelope or drop it at The Peoples Bank.

If you have any questions, please feel free to contact Kaye Couvillon at svfunevents@gmail.com.

PLEASE NOTE: As we are only parent volunteers who have agreed to facilitate the program, we are only able to accept DEPOSITS at the school and ONLY on bank days. Withdrawals or other services to the account **MUST** be made through any branch of The Peoples Bank. We will not have access to account numbers or personal information.

We are not able to provide change (example: student brings in \$20 and only wants to deposit \$5 or student brings in \$1 and only wants to deposit .10)

Please do not send in large amounts of change. We have to count it with the student present and it delays them getting back to class.

If your child has a large amount of money to deposit, please consider sending a check or bringing them to a branch to make the deposit. We had several students come with \$100 cash and we would hate for it to get misplaced before they give it the school "bankers".
